ABOUT

MAHacks is a hackathon by high schoolers, for high schoolers. Through biannual 24 and 12-hour events, we enable, encourage, and inspire students to create projects that positively impact communities and last beyond our hackathon.

Why Sponsor MAHacks?

What Makes MAHacks Different

Inspiring Impact

Too often, we see projects of little use being generated at hackathons, or projects promptly abandoned. To combat this, MAHacks features Tracks, such as Medical Technology, and invites industry leaders to present students with **real-world problems**. Through this, Participants are able to tackle specific issues, and can continue their projects through our **opportunities for mentorship, accelerators, and experiential learning**.

Innovation for All

Most hackathons are for college students or professionals. MAHacks strives to expand these platforms to youth by welcoming high school students of **all backgrounds** in **Massachusetts and beyond**.

A Track Record of Excellence

We've hosted MAHacks events at the **MIT Stata Center, Canopy City Coworking, and Upstatement HQ**. Our team is dedicated to providing an enjoyable, **beneficial experience** to all our **participants, sponsors, and community**.

How We Can Help You

- **Build Awareness:** Your brand and mission will be promoted among **hundreds of highly capable, driven students** who are the **next generation of entrepreneurs and engineers**.
- **Recruit Talent:** You can bring **on-site recruiters** and **evaluate resumes** of students with potential.
- **Test Your Products:** Developers will **experiment** with and **find unexpected uses** for your APIs, service, or other tools, helping you **improve** them!
- **Solve Problems:** If your company wants to see a challenge, big or small, approached from **unique perspectives**, ask us about **sponsoring a prize!**
- **Help the Community:** You can **contribute to a revolution in STEM and entrepreneurship education** that **engages** students through **learning by doing**.

Custom Tiers

We're happy to negotiate a custom tier or different benefits with you, especially if your company is a startup. Reach out to us at info@mahacks.com and we'll follow up with you soon! MAHacks aims to create an invaluable experience and opportunity by supporting its hackers and sponsors to the best of our abilities.

Other Ways to Support Us

Sponsor a Track Prize

- Do you have a problem that you would like to see solved through **innovation and creative solutions** in a certain field? Sponsor a track and **provide a prize** for the best hacks in that category!
- We strive to offer **mentorship, access to incubators/accelerators, summer camps, and other experiential opportunities as prizes** for hackers to **continue developing their projects beyond our events**. If you're interested in providing any of these, we'd love to chat with you!

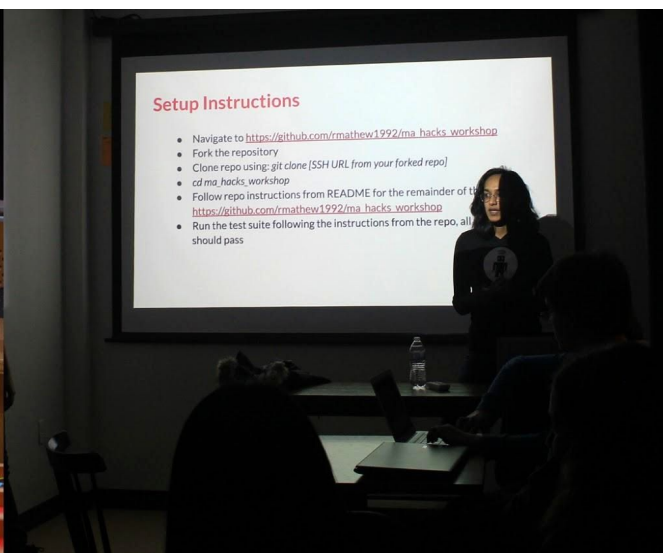

Day-Of Logistics

There are plenty of other ways to support MAHacks. Food, resources, workshops, mentors - they all help make MAHacks a success!

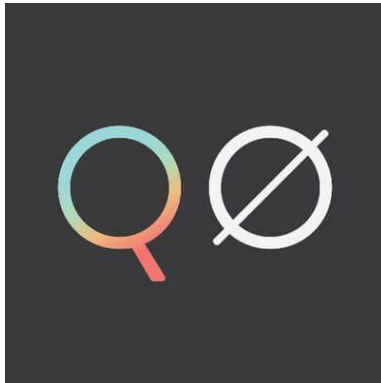

- **Organize Workshops:** Workshops teach hackers valuable skills they can apply to their projects. Contact us with workshop ideas for more details!
- **Send Mentors:** Mentors help hackers with projects, and should have some technical abilities, patience, and enthusiasm!
- **Provide Resources and Discounts:** Any online resources that may assist hackers are great! Scholarships to summer camps provide great opportunities as well. Contact us for more details!
- **Sponsor a Meal:** Contact us for details!
